

Y5 Home learning challenge - set 27th October 2017. Due in 30th November 2017.

We would like you to create a project that represents the Solar System or The Earth, Sun and Moon.
You might want to create a model, a piece of art work, a fact file or a piece of creative writing.

Make your work creative and imaginative. You might want to use different materials such as paint, papier mache, chalk or collage effect.
