

Y5 Home learning task - set 9<sup>th</sup> November 2017. Due in 15<sup>th</sup> November 2017.

In preparation for next week's learning, we would like you to research Yorkshire Puddings. You could:

- find out how they are made
- try one and see if you like them
- find out when they were first introduced in England
- find out how people like to eat them (with their roast dinner; with jam...)

Make your work interesting and include a mixture of text and images.
