Dear Parents/Carers,

Our school wants to stay open for as long as possible to support as many families as we can, but staffing may become increasingly difficult in light of so many people needing to self-isolate or socially distance themselves from others.

With this in mind, we are asking you to let us know if you are relying on school for childcare so that you can continue to work. When we have this information we will have a much better idea of how we can best support our families, and the economy.

Please complete the slip found overleaf and return it to school tomorrow morning at the latest. Alternatively, please complete the online survey found here: <https://bit.ly/2TWRzJ8>

We thank you for your continued support in this challenging time.

Yours sincerely

Miss J Slinger
