

Year 4 Homework Pick and Mix

<p><u>Get Reading</u></p> <p>Read some books by your favourite author and write a review. Think about the characters and what genre the books are.</p> 	<p><u>Get Speaking</u></p> <p>Can you learn how to count to 10 in 5 different languages? Could you go further and teach someone else how to count to 10 in a different language?</p> 	<p><u>Get Creative</u></p> <p>Who is your favourite artist? Create a piece of art using the same technique as them?</p> 	<p><u>Get Mathematical</u></p> <p>Go around your home and find as many different 2D/3D shapes you can find. Can you challenge yourself to find 12 different shapes?</p> 
<p><u>Get Exploring</u></p> <p>We will be looking at the environment next term and some of the issues around it such as global warming, plastic use and litter.</p> <p>How would you improve your local environment? Write a letter to the council!</p> 	<p><u>Get Online</u></p> <p>Imagine you are a programmer/designer. If you could make any game, what would it be?</p> <p>Have a go at creating your own game using scratch. You can also look online on scratch to see what games people have created and try them out! https://scratch.mit.edu/</p> 	<p><u>Get Cooking</u></p> <p>Can you cook and try to make a savoury dish for dinner?</p> <p>Write down the recipe. Use your maths skills to scale the recipe for six people</p> 	<p><u>Character Muscles</u></p> <p>Think about our character muscles. Choose the one that you think is the most important to you and create a poster on that character muscle.</p> 

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
