

# Year 3 Homework Pick and Mix

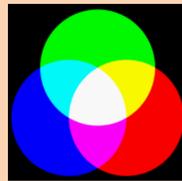

## Get Reading

Read some books by your favourite author and write a review. Think about the characters and what genre the books are.

## Get Speaking

Can you learn how to say and write **red, blue, green and yellow** in different languages? Can you teach this to someone else?

## Get Creative

Who is your favourite artist? Create a piece of art using the same technique as them?

## Get Mathematical

Five minute daily tables challenge! Can you get better each time you try?

	1	2	3	4	5	6	7	8	9	10
1										
2										
3										
4										
5										
6										
7										
8										
9										
10										

You have done so well with this in class so keep up the good work!

## Get Exploring

Next term we will be learning about the Ancient Greeks. Can you create a fact file? You can use drawings and writing and be as imaginative as you like!

## Get Online

Imagine you are a programmer/design. If you could make any game, what would it be?

Have a go at creating your own game using scratch. You can also look online on scratch to see what games people have created and try them out!

<https://scratch.mit.edu/>

## Get Cooking

Can you cook and try a make a savoury dish for dinner?

We are learning about instructions. Can you follow or write instructions for your dish?

## Character Muscles

Think about our character muscles. Choose one you think is the most important to you and create a poster on that character muscle.

### Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
