

# Year 2 Homework Pick and Mix

## Get Reading

Read some books by your favourite author and write reviews picking out key themes and language used.

## Get Speaking

Can you learn how to say and write 'hello and goodbye' in 7 languages? Can you teach this to someone else?

## Get Creative

Who is your favourite artist? Create a piece of art using the same technique as them? Show off your talents by using Microsoft Paint as well as different media.

## Get Mathematical

Draw a place value chart. Choose any objects to represent the tens and ones. Encourage children to put them in each column to create a 2-digit number. Children to explain how they have made the number.

## Get Exploring

We are looking at plants this term. Look out your window. What plants can you see? Is there any? Sketch what you can see.

Have a go at growing seeds in different conditions:  
 Sunlight and water  
 Sunlight and no water  
 No water no sunlight  
 Water and no sunlight

## Get Online

Use [ictgames.com](http://ictgames.com) and [topmarks.co.uk](http://topmarks.co.uk) to remind yourself of all the things we have learnt in Maths and Literacy so far!

Have a go at finding out facts about the Queen! Why is she a significant person?

## Get Cooking

Can you cook or bake a healthy dish like Jamie Oliver? Share this on our Twitter page.

## Character Muscles

How many different character muscles can you use at home? Keep a diary and write or draw each time you use a character muscle and explain how you used it. Challenge: 100 ways to show kindness!

## Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
