

Hello Mr Bailey here, I hope everyone is well and staying busy during lockdown. Here are some links and passwords to online resources for the rhythms and songs we've been playing together up until now. I hope you will enjoy playing along with me in the videos, remember to change the playback speed if it's too fast to begin with!

Have you ever wondered what a drinking straw would sound like as an instrument? Ever wondered what ice, or a carrot would sound like? Want to know more about how music notation works? Check out videos [here](#) or use web link:

Want to play some copycat with me or maybe brush up on technique? [Check out these cool videos](#) : <https://leicestershiremusicshub.org/djembe-video-resources>.

## Drumming in class:

**5AS:** This year we have been learning:

- **Toro** : <https://leicestershiremusicshub.org/toro> password: wassamba
- **Kadan**: <https://leicestershiremusicshub.org/kadan> password: dunumba

A great app I use for apple devices you may want to look at:

- [Djembefola!](#) Is a free tool that comes with some free rhythms with lots more rhythms you can purchase in packs :
