LOST AND FOUND

By Oliver Jeffers

WHAT IS THE BOOK ABOUT?

This is a story of determination and friendship after a young boy finds a penguin on his doorstep. He takes it upon himself to help the lost penguin find his way home. After going to the Lost and Found Office, he finds that no-one has lost a penguin, and so begins a journey with many ups and downs along the way.

WHO WOULD I RECOMMEND THIS BOOK FOR?

I would recommend this book to anyone who likes animals and who can imagine going on an adventure with a pet. The illustrations in this book are fantastic and really bring the story to life; if you like pictures as much as the words in a story, this is the book for you.
