# THE UNFORGOTTEN COAT

By Frank Cottrell Boyce

## WHAT IS THE BOOK ABOUT?

---

Julie lives in Bootle and is in her last year at primary school. Life changes for her with the arrival of Chingis and his younger brother Nergui – two nomads from Mongolia. With the help of Julie as their good guide they soon fit in to school life. The Unforgotten Coat is original, funny and slightly surreal. It deals with friendship and how people from different backgrounds can enrich our lives. It also deals with the issue of immigration.

## WHO WOULD I RECOMMEND THIS BOOK FOR?

---

I would recommend this to anyone who likes to find out about people from different cultures. The way the book is set out is very appealing – it looks as though it is written on note paper. It also includes a series of very interesting photographs.
