THE INFINITE LIVES OF MAISIE DAY

By Christopher Edge

WHAT IS THE BOOK ABOUT?

Maisie Day is ten years old and should be celebrating her birthday but something very odd has happened: not only has her family disappeared, but her house seems to be floating in an endless – and encroaching – black void. It's hard to comprehend, but Maisie is a science genius, already studying for a degree in physics at the Open University. Will she solve the mystery?

WHO WOULD I RECOMMEND THIS BOOK FOR?

I would recommend this book for anyone who enjoys stories with science. I would also recommend this book for those that like to solve a mystery.
