AN AUTOBIOGRAPHY**

As told to John Agard

WHAT IS THE BOOK ABOUT?

Quirky and humorous, part poetry, part reflection, this is the story of the book told by none other than...a book. This extraordinary character begins by reminding us of his origins in oral story and clay tablets, then ponders on papyrus, parchment and paper and on being a scroll who finally gets a spine.

WHO WOULD I RECOMMEND THIS BOOK FOR?

For those who want to learn about the history of books and where they came from. Also for those who enjoy short but challenging books.
