

Reception Homework Pick and Mix

<p><u>Get Reading and Writing</u></p> <p>Practise reading your current tricky word challenge. Can you read all of the words independently? Post these to Tapestry and I will send you your next challenge!</p>  <p>Can you write a simple story about a character of your choice? Think of a beginning sentence, middle sentence and ending sentence.</p>	<p><u>Get Speaking</u></p> <p>We will soon be starting to look at telling stories. Could you choose three items in your house and tell a story about them? Can you find some more unusual items for your story?</p> 	<p><u>Get Creative</u></p> <p>It is nearly Easter! Can you create your own Easter bonnet and have a parade around your house? Get your families involved too! Who can create the best bonnet?</p>  <p>Could you boil an egg and decorate them in a variety of different ways? Maybe you could design an egg to look like your favourite book character.</p>	<p><u>Get Mathematical</u></p> <p>Can you write your numbers to 20? Think about the formation of the numbers. Cut these numbers up to create your own set of number cards. Can you mix them up and put them into the correct order?</p>  <p>Can you find any coins around your house? Which ones can you recognise? Set up a shop in your house and ask family members to “buy” an item. What change do they need?</p>
<p><u>Get Exploring</u></p> <p>During a walk or whilst in the garden, collect up some interesting items such as leaves, sticks or rocks. Can you turn these into a miniature garden at home? It could be a fairy garden or a house for an Elf. Check Mrs Aston’s Twitter video for some inspiration!</p> 	<p><u>Get Online</u></p> <p>Check out the live camera feeds from various zoos online. Pick your favourite zoo animal and watch what they get up to. Write some information about your chosen animal. What do they eat? Where do they live? How are they cared for? Don’t forget to be checking the school Twitter for different challenges from adults each day!</p> 	<p><u>Get Cooking</u></p> <p>As it is nearly Easter, can you make your very own yummy Easter egg nests? You can read the recipe here. Send some photos to Twitter to make all the teachers jealous!</p>  <p>https://www.bbc.co.uk/food/recipes/easteregg nests_93841</p>	<p><u>Character muscles</u></p> <p>One of our favourite character muscles in our class is kindness. Can you think of a kind activity you could do for a member of your family or a member of your local community? Draw a picture for an elderly neighbour or help your parents with the housework!</p> 

Dear Parent/Carer,

Here are your child’s home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class! Add anything you complete to our Tapestry!
