Year 1 Homework Pick and Mix

KNIGHTON MEAD PRIMARY ACADEMY

Get Reading	**Get Speaking**	**Get Creative**	**Get Mathematical**
Read a book that you have in your house. Ask an adult to quiz you about the story. How many facts can you remember? Remember to watch out for them split digraphs! How many can you find?	Think about someone you haven't seen for a while. Ask an adult if you can ring them or FaceTime them and ask them how they are. Tell them about all the things you have been doing. You could even tell them a joke. Watch out for a phone call from Miss Orchard this week! I can't wait to hear what you've been doing at home.	Create your own version of your favourite board game with your family. Can you write the instructions for how to play?	Have a look around your home for 2D and 3D Shapes. How many can you find? Can you name them all? You might even want to create a picture using 2D and 3D shapes! Don't forget to login to Numbots to practice your adding and subtracting.
Get Exploring	**Get Online**	**Get Cooking**	**Character Muscles**
Can you create a map of your local area? Start off with drawing your home and think about the route you have to take to school. What do you see on your way to school?	Visit the Zoo! Lots of Zoos are showing live feeds for you to watch. Afterwards, you could create your very own animal mask of your favourite animal. https://www.chesterzoo.org/	Help an adult to make Lunch or Dinner. Can you take pictures and write down the instructions? Don't forget to wash up too!	Keep a note of every time a family member uses one of our character muscles. Design and make a certificate for the family member who demonstrates the best use of a character muscle

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
