Create a mind map of the different features the websites have.</p> <p>Design your website.</p> <ul style="list-style-type: none"> - What will your website be about - What tabs will you have on your website? <p>Think about:</p> <ul style="list-style-type: none"> - The colours used - The language used 	<p><u>Get Cooking</u></p> <p>Can you cook an Easter themed dish?</p> <p>Write down the recipe and the amounts of each ingredient. What units have you used?</p> 	<p><u>Character Muscle</u></p> <p>One of our character muscle is self-esteem. Can you write down when you have believed in yourself? What makes you unique? Create a tally of all the times you or your family have believed in themselves.</p> 

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
