

Year 6 Homework Pick and Mix

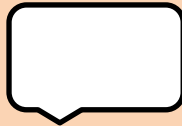

Get Reading

Complete a book and quiz on AR within the next week.

Get Speaking

Research something that interests you (games/hobbies etc) and create a presentation for your family about it. Remember to include facts and opinions.

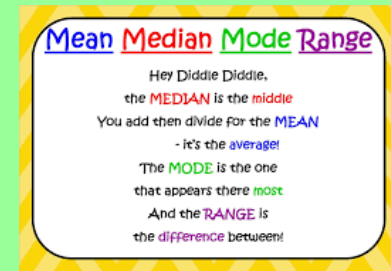

Get Creative

Art attack! Create a piece of art made from everyday objects on your floor. Take a picture of it when done and share it with the school on twitter (with your parents' permission).

Get Mathematical

Record how much time you spend watching tv per day for 7 days. Then work out the mean, median and mode averages for the week.

Get Exploring

Explore your local area. Can you find somewhere new to walk/cycle to during your daily exercise? Write down a brief description of the new place.

Get Online

Get programing. Can you create a game on scratch? Save your project and share it with the school on twitter.

<https://scratch.mit.edu/>

Get Cooking

Get baking! Create some sweet treats in your oven this week and remember to save some for the teachers.

Character Muscles

At KMPA we love our character muscles. Can you create a story about someone who learns how to use one of their character muscles well? Remember the 5 story parts.

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
