

Reception Homework Pick and Mix 6

Healthy Eating

Get Reading and Writing

Read the story of "Oliver's fruit salad" or listen to this story on youtube by searching "Oliver's fruit salad story". Can you write a list of the fruits that Oliver found?

What is your favourite fruit? Can you write me a sentence about it?

Get Speaking

Can you remember any of the Makaton we have learnt previously in the year? Miss Slinger taught us some signs during assembly and our hearing impairment visitor showed us some Makaton signs for animals.

Use YouTube or Cbeebies to learn some new Makaton words. Can you upload your attempts to Twitter or Tapestry?

Get Creative

Let's paint with something new! What vegetables could you use to make some art work? You could print circles with the bottom of a carrot or cut a shape into a potato.

Look up the artist Arcimboldo for ideas on how to use fruit to create amazing art pieces!

Get Mathematical

Create your own set of number cards 1 – 20. Focus on the formation of the numbers and try to write them in the correct direction. Think of simple games you could play with these number cards. Can you mix them up and put them into the correct order? Could you find the card that is one more than a given number? What card is one less than a given number?

Get Exploring

Could you grow something in your garden or in a flower pot? It could be your own vegetable patch or maybe some bright sunflowers. What does it need to grow?

Get Online

Can you draw a bowl of fruit on a computer or laptop? Have a go at using the mouse to help you design your fruit bowl. What fruit will you add? You could try typing your name on your picture.

Get Cooking

Can you make a fruit salad like Oliver in the story? What fruits would you like to add?

You could write the instructions out for a friend to follow. Send your instructions to Tapestry and Miss McEwan will have a

Character muscles

Perseverance

This week, I would like you to persevere at an activity that you find particularly difficult. Maybe it is completing a piece of writing or reading a tricky book or it could be something physical like riding your bike or doing your coat and shoes up independently. Not giving up is a tricky skill so keep practising!

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class! Add anything you complete to our Tapestry!
