

# Reception Homework Pick and Mix 7

## Transport

### Get Reading and Writing

Draw and label me your very own vehicle. What type of transport would it be? What colour would the design be? How many wheels would it have? Would it have any extra powers?

### Get Speaking

Everyone has been working hard to stay at home over the past few weeks. I know a lot of you are now getting bored. This week I would like you to think about all the good things in your life. Keeping positive is a great way to stave off boredom.

Can you list 3 positive things that you have done that day to an adult? Maybe you drew a great picture or had pizza for tea!

### Get Creative

Find some clean boxes and recycling around your house and turn these into a masterpiece. What vehicle could you make? You could use scissors and sellotape to create

lifelike.

your model and then colour it or paint it to look even more

### Get Mathematical

What coins can you identify? Find some coins around your house and see how many of them you can recognize. Make a shop up in your house and practise buying and selling different items. You could even practice counting in 2s using the 2p coins!

### Get Exploring

Can you create a car survey for your daily walk? How many red cars can you see? How many blue cars? What other types of vehicles might you see? Count up how many you saw of each. Which was the most?

Name: \_\_\_\_\_

**Car Colour Traffic Survey**

Use tally marks to record the colours of the cars you see.

### Get Online

Watch some videos on cbeebies or youtube that can teach you all about different types of vehicles that we use. Here are some examples to get you started;

<https://www.youtube.com/watch?v=d0ySC2tzlZI>

### Get Cooking

yummy pizza!

Have you tried making your own pizza before? You could make it on a ready made dough or even try making the dough yourself! Send me any photos of your

### Character muscles

#### Independence

This term in Reception, we would be focusing on building our independence ready for our move to Year 1. This means trying it all by ourselves! Can you complete an activity all by yourself? Maybe you could write a sentence or write an addition sum without using your Mummy or Daddy for help!

### **Dear Parent/Carer,**

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class! Add anything you complete to our Tapestry!
