

# Reception Homework Pick and Mix 5

## Get Reading and Writing

Can you find any words around your house that you can practise reading? Think about using all of your sounds to help.

Can you write a simple sentence such as "The cat sat on the mat", "the dog is on the log" using your Freddy fingers, finger spaces and a capital letter and a full stop? Send your sentences to Tapestry to wow me!

## Get Speaking

## Get Creative

Can you make your own playdough and design a minibeast? What big could you make? The recipe for playdough can be found here.

<https://www.bbcgoodfood.com/howto/guide/playdough-recipe>

## Get Mathematical

Can you find any 2D or 3D shapes around the house? Sort these into two groups – 2D and 3D. Remember that 2D shapes are flat and 3D shapes are solid. Which can you find? Draw some of your findings and label what shape they are.

## Get Exploring

Go for a bug hunt in your local area. What mini beasts can you find? Draw a picture of all the bugs that you find. Can you label them?

## Get Online

Make a fact file about a mini beasts using information you can find online. With a grown up, search for fun facts about your favourite mini beasts and write these out. How could you present this information?

Don't forget to check the school Twitter for different challenges from adults each day!

## Get Cooking

Can you make a pretend lunch this week? What could you use around your house to create a make believe lunch? Maybe you could use playdough to create some fish and chips. Or junk model a burger out of cereal boxes?

Share your lunch with a grown up and have an imagination lunch!

## Character muscles

## Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class! Add anything you complete to our Tapestry!
