

Year 1 Homework Pick and Mix

Get Reading

Write down the alphabet and think of an animal for each letter. How many can you think of?

Choose your favourite animal and read 5 different facts about them to tell an adult.

Get Speaking

Can you remember how to say Good Morning and Good Afternoon using Makaton?

Can you find out how to say 3 new words to communicate to someone else using Makaton? You might even want to teach an adult some of the words we have already learnt in school.

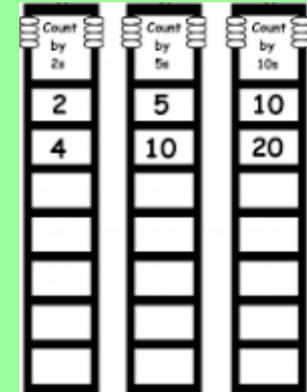

Get Creative

Using empty cartons, cereal boxes and anything else you can find in your house. Can you create a rocket that could take you up to space? Don't forget to ask an adult to send pictures to Knighton's Twitter!

Get Mathematical

Practise counting in your 2s, 5s and 10s. Challenge the adults in your home to count in their 2s, 5s and 10s too. Who can count correctly the fastest? Can you count backwards?

Get Exploring

Imagine if you could fly up into space in a really cool rocket. What 10 things would you take with you?

Get Online

Have a look at the BBC Bitesize website. Click on Year 1 and select some lessons to complete throughout the week. What new things have you learnt this week?

<https://www.bbc.co.uk/bitesize/dailylessons>

Get Cooking

Can you prepare lunch or a snack without using the oven?

Character Muscles

Keep a note of every time a family member uses one of our character muscles. Design and make a certificate for the family member who demonstrates the best use of a character muscle

Year 1 Homework Pick and Mix

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
