

# Year 1 Homework Pick and Mix

## Get Reading

Log in to Oxford Owl! An account has been set up for Year 1. You can choose from lots of different books to read online! Ask an adult to quiz you at the end.

## Get Speaking

This week is Mental Health Awareness week. The theme this year is Kindness. Think about someone you haven't seen for a while and who may be alone. Phone them or Video Call them and ask them how they are.

## Get Creative

As part of our Topic this term, we would be learning about holidays! Have a go at creating your own train or boat using materials around your house. Don't forget to send your pictures in to Twitter!

## Get Mathematical

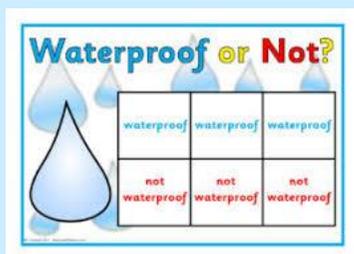

What time is it?  
Have a go at creating your own paper clock. Practice telling the time to the hour and half past. Get an adult to test you! You can even test the adult.

## Get Exploring

### Testing Materials

As part of our Science unit, we would be conducting lots of exciting experiments. Your task is to find at least 5 different materials around your house. You need to test these materials to see whether or not they are waterproof. How can you make it a fair test? Make sure you write down your predictions and record your findings.

## Get Online

### PHONICS!

Have a look at PhonicsPlay and have a go at some Phonics games.

<https://new.phonicsplay.co.uk/>

Once you've played a few games, find some items around your house that contain the following sounds:

a-e oo o-e

## Get Cooking

As part of Mental Health Awareness Week, make a member of your household a snack as an act of Kindness. Think about how this might make them feel.

## Get using those Character Muscles

As part of Mental Health Awareness Week, help an adult complete a chore around the house that would really help them out.

Spend time on you! Do an activity of your choice that makes you feel happy. You might want to do some painting, drawing or play with your favourite toy.

## Year 1 Homework Pick and Mix

**Dear Parent/Carer,**

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
