

Year 2 Homework Pick and Mix

Get Reading

Look at the list of common exception words. Read as many as you can. Pick some of them and write them on the spelling sheet. Do look, cover, write and check to see how many you can spell.

Year 2 Common Exception Words											
door	child	city	pretty	grass	improve	whole	half				
floor	children	gold	beautiful	pass	sure	any	money				
poor	wild	hold	after	plant	sugar	many	the				
because	climb	look	just	path	eye	clothes	Mrs				
find	meat	every	last	bath	could	hang	parents				
kind	only	great	past	hour	should	people	Christmas				
mind	bath	break	father	move	would	water	everybody				
behind	old	stick	class	prove	who	again	seen				

Get Speaking

Think about someone you haven't seen for a while – maybe one of your classmates or someone you know who lives on their own. Ask an adult if you can ring them or facetime them. Ask them how they are and you can tell them everything you have been doing.

Get Creative Junk Modelling

Collect items from your recycling this week and see what amazing models you can create. Once you have created it paint it and decorate it.

Get Mathematical

Have a go at making your own clock from things you have at home.

Practise telling the time. Get an adult to give you a time and see if you can make your clock show that time. Then think about what the time would be 1 hour earlier and 1 hour later. Continue to log on to TTRS and practise your 2, 5 and 10 times tables.

<https://play.ttrockstars.com/>

Get Exploring

When you go for a walk to the park, get exploring and see if you can make an A – Z of things you see. You can use things that you see on the way to and from the park as well. If you don't go to the park, have a look around your home/garden to see what you can find.

Get Online

Go on the internet and search for:

<http://www.ictgames.com/>

Go onto the maths games section and look for Hickory, Dickory, Clock – this game will help you to be able to tell the time.

Get Cooking

Give your family a treat and help out in the kitchen! Help an adult with cooking a meal and make sure you learn how to wash up.

An extra challenge for you: See how many times this week you can wash the pots!

Character Muscles

The character muscle for the next week is **'Reasoning'**

This means to think, talk and write about things in a logical and sensible way. We use our reasoning skills a lot in our maths work. Look at the attached APE sheet and see if you can use your reasoning skills to complete it.

Year 2 Homework Pick and Mix

Dear Parent/Carer,

Here are your child's home learning activities for the coming week. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to hear what home learning activities you have done.
