

# Year 2 Homework Pick and Mix

## Get Reading

See if you can print off the pirate comprehension activity attached to this document.  
Enjoy reading the text and have a go at answering the questions.

## Get Speaking

Work with someone else in your house. Take it in turns to draw a simple picture like the one below (make sure you don't show them). Keep it hidden and then give them a set of instructions (one at a time) of how to draw the picture. For example: 1. Draw a circle that covers the top half of the page. 2. Draw 10 straight lines coming from the top of the circle. When you have finished you can compare both pictures! Now swap over.

## Get Creative

Make your own pirate ship from recycled materials.

## Get Mathematical

Log on to TTRS and practise your 2, 5 and 10 times tables.

## Get Exploring

Make some Oobleck and get messy!  
Watch the YouTube video for instructions.

## Get Online

Ahoy, pirate!  
Are you ready for an adventure? Hop on Captain Carrot's ship and explore the world with the Pirate Bunnies! Play Pirate Bunnies: World Adventure on BBC Bitesize.

## Get Cooking

Next week get creative and make your own Pirate sandwiches! Look on Pinterest for some awesome ideas.  
Please post pictures on Twitter.

## Character Muscles

The character muscle for the next week is 'optimism'.

Before bed, play the "three good things" game. With an adult, list three good things that happened today and describe how you felt about them. You may be inspired to list three good things you anticipate tomorrow, too.  
An optimistic attitude encourages positive action.

## Year 2 Homework Pick and Mix

**Dear Parent/Carer,**

Here are your child's home learning activities for the coming week. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to hear what home learning activities you have done.
