

Year 2 Homework Pick and Mix

Get Reading

I have attached a pack of pirate poems. Read through the poems – you could even read them out loud. When you have finished reading them you could write a review about your favourite poem saying why it is your favourite. You could even try searching on the internet for one of your own.

Get Speaking

You are going to make up your own pirate themed story! Look at the Get Speaking activity that is attached to help. Roll a dice to find out what you have to include in your story. Make up a story and tell it to someone in your house. You can write it down if you would like to, but the most important thing is to tell it to someone else. See if someone else in your house is able to make up their own pirate story!

Get Creative

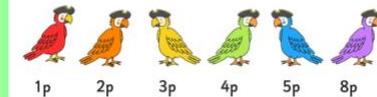

Follow the instructions on the powerpoint and see if you can make your own pirate hat!

Get Mathematical

Have a go at solving the following problem. I have attached a bigger copy of the problem if you can't read it from here.

You can only buy 1 colour of parrot at a time.

1p 2p 3p 4p 5p 8p

Which parrots can you buy for exactly 15p and how many can you buy?

Continue to log on to TTRS and practise your 2, 5 and 10 times tables.

Get Online

Use any Paint programme on your tablet or laptop to draw and paint your own pirate.

Get Cooking

Follow the attached recipe and see if you can make your own pizza. What is your favourite pizza topping?

Character Muscles

The character muscle for the next week is 'Revising/Improving'

It is important to improve our skills in life. See if you can choose a skill you are not very good at and improve it further by not giving up, initially asking for help from an adult if you need it until you are able to do it independently.

Dear Parent/Carer,

Here are your child's home learning activities for the coming week. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to hear what home learning activities you have done.
