

Year 6 Homework Pick and Mix

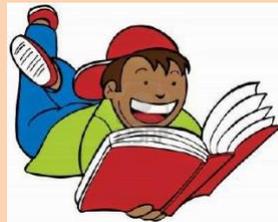

Get Reading

Complete a book and quiz on AR within the next week.

Get Speaking

Can you record yourself reading a book or a made up story to a family member? Upload your video to twitter so we can all watch!

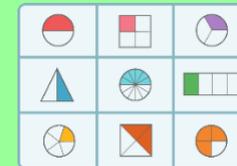

Get Creative

I (Mr Owens) have been having a lot of fun making videos online for you to watch. Can you edit and create your own video? Can you use any special FX too?

Get Mathematical

Can you find fractions in everyday items in your house? E.G How much of the washing up is plates? What fraction of a pack of sweets is green? Etc. Can you convert them into percentages too?

Get Exploring

Create a treasure hunt in your house! Start with the prize at the end then create a series of clues for someone to find the secret prize. Remember to make the clues tricky but not too hard.

Get Online

Our summer term topic was meant to be Mighty Mayans. Can you find any information about them online? Remember to jot down any interesting facts you find.

Get Cooking

Mr Owens loves soup! Try creating your own vegetable soup with any veg that will soon be going out of date.

Character Muscles

At KMPA we love our character muscles. Can you choose a character muscle that you need to develop and strengthen it by writing a list of things you can do to show it.

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
