

# Year 6 Homework Pick and Mix

## Get Reading

Complete a book and quiz on AR within the next week.

## Get Speaking

Research 10 words in a new language. Try installing Duolingo app or research these words on the web.

## Get Creative

Can you design and make something to protect an egg from a 1 story fall. You can only use paper, card and sellotape. Test your design on an egg with an adult.

## Get Mathematical

Open a packet of sweets and create a tally chart and a bar chart representing some form of difference in the groups. For example: colour, shape, flavour.

## Get Exploring

Explore the night sky! Go outside at night with an adult and see if you can spot anything in the night sky. Constellations, planets, satellites, the moon. Use apps or research to help you know what is what and record what you see!

## Get Online

This week we were supposed to be in London on our residential. Can you research a London landmark and create a fact file about it?

## Get Cooking

Make a burger! It can be any type of burger, veggie/vegan, chicken, beef etc. Take some pictures of it to share with the school twitter!

## Character Muscles

At KMPA we love our character muscles. This weeks I challenge you to do a bit of risk-taking and to try something new. Write a brief diary entry on what you did.

## **Dear Parent/Carer,**

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
