Character Muscles

At KMPA we love our character muscles. Can you find ways you have used your teamwork muscle over the last week? Draw pictures in your workbook of what you did.

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
