

# Year 3 Homework Pick and Mix Week 6

## Get Reading

Read something that is not a book. Maybe a recipe book, an online story or a comic.

## Get Speaking

Share some jokes with your family. Look online or in books to find your favourites!

## Get Creative

Take good look in the mirror and do a self-portrait. You can use paint, crayons or just a pencil. Can you put your portrait on Twitter so we can all see it?

## Get Mathematical

Take ten cards numbered 0 to 9. Selecting 4 different cards, what is the highest numbers you can make? What is the smallest number you can make?

Now pick three cards with a total of 12. How many different ways can you do it?

## Get Exploring

Can you make a bug hotel and see how many residents you get? Use stones, rocks, tubes, dried leaves, twigs and branches

## Get Online

Use BBC's dance mat typing to practise your typing and get it up to speed. It is a very useful skill to have.

## Get Cooking

How many different vegetables can you use in one dish?  
How many different fruits and vegetables can you eat in one day?

## Get using those Character Muscles

This week's character muscle is revising and improving  
Think about the home learning you have been doing and how could you do even better?

## Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
