

Year 4 Homework Pick and Mix

Get Reading

Read a book you have at home and take the quiz on AR. Type in the book name rather than the quiz number and hopefully you will find the book you are reading. Go and smash your new point target for this term!

Get Speaking

Think of somebody you haven't spoken to in a while and give them a call. It could be a friend or a member of your family. Tell them something funny or something you are enjoying during these difficult times.

Get Creative

Can you create a piece of art only using dots? Be creative with it. You could use paint, felt tips or colouring pencils.

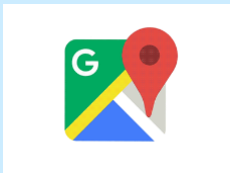

Get Mathematical

This term we would have been starting our new topic 'Raging Rivers'. Can you research different rivers across the world and find out their lengths. Then, order them from largest to smallest. I wonder which is the longest river in the world?

Get Exploring

During your daily exercise, explore somewhere you have never been before. If you can't get out, use google maps to explore an area you would like to visit. What exciting new places can you find?

Get Online

It's time to get your dance moves on. Go and join in with your favourite go noodle dances, maybe even get your family involved. See if you can find any new ones that you think your class would love to do when we are back at school.

<https://www.gonoodle.com/>

Get Cooking

Ask your family if you can help cook something with them for dinner. Take a picture and show us what you have made on twitter.

Character Muscles

The character muscle of the week is resilience. Write a story about how you have been showing resilience over the past few weeks.
