

How is Knighton Mead Primary Academy ensuring a safe wider re-Opening?

- All staff have engaged with training and briefings on the new policies and systems to ensure consistency
- Pedal bins now in each room
- Groups to have allocated toilets which will be cleaned regularly between uses
- Daily cleaning regimes in place
- Regular hand washing – facilities in every room
- Hand sanitisers have been installed in every teaching room
- One way systems in corridors and for external doors
- Children to have their own equipment and pencil case so no cross contamination
- Water bottles brought from home
- PPE available for staff for situations within 2m e.g. First Aid
- Friday 12pm finish for non-key worker cohort teams – deep clean
- Anyone showing symptoms to not come onsite or to go straight home
- Signage around school including 2m markings on the floor
- No more than 1 parent to drop child off or in the front office at one time – call ahead if you can
- Designated gates for groups of children and staff entering and exiting the site
- Hand washing posters and guidance displayed throughout the building
- All windows and doors open for ventilation throughout the day
- Cleaning packs in every room for staff to use
- Family Bubbles (staff) and Cohort Teams (children) will not mix
- Risk assessments are in place for individuals who need them (children and staff)
- Increase in outdoor learning for all
- LCFC will be coming in to offer provision and have been briefed on all risk assessments and procedures
- We will only have essential visitors and contractors on site
- Non-uniform to encourage fresh and clean clothes every day and clothes which allow for physical activity and outdoor learning (trainers, coats etc. needed)
- Cohort teams to come to school on consecutive days

*these procedures are under constant review and development based on guidance and scientific findings from the government
