Dear Parents and Carers,

**Confirmation of the wider re-opening from Monday 15<sup>th</sup> June**

Further to the letter sent on 22<sup>nd</sup> May 2020, I am writing to confirm that the TMET Board of Trustees met last night to decide whether to open more widely to pupils in nursery, reception, years 1, 6 and 10.

As I am sure you can appreciate, there were many things to consider when deciding upon what is best for our school communities. The Board discussed in detail the findings of each school's risk assessment. These were carefully put together by school leaders and scrutinised by trust leaders and chairs of academy councils. Based on this the Board have agreed to welcome back pupils from the year groups identified by the government (nursery, reception, years 1, 6 and 10) from Monday 15<sup>th</sup> June 2020 as planned. Our schools will also continue to welcome children of key workers and vulnerable children, as they have done throughout the lockdown period.

Our number one priority throughout these challenging and unprecedented times has been to ensure the health and safety of our pupils and staff, and we will continue to review and update our internal procedures based on government guidance in order to achieve this.

I would like to take this opportunity to thank you again for the support that you have shown our school over the past eleven weeks and for the commitment that you have shown to supporting your child's learning.

Your Sincerely,

Miss Slinger  
Principal
