

Nursery Activities Pick and Mix

Get Reading and writing

Draw a picture of your favourite things?

Your toys? Your friends? Your family? A fun day?

Get Speaking

Have a show and tell time – Select five things you can show and tell to your family.

Can you talk about and describe them?

Can you answer any questions about them?

Get Creative

Make music or a song? What could you use in your house to create instruments? Or song/ dance props?

Get Mathematical

Talk about time – Can you make a time line of your day? What do you do in the morning? What do you do in the afternoon? What do you do in the evening?

Maybe you could talk about days of the week? Months of the year? Or even seasons?

Get Exploring

Messy play – Best completed outdoors!

Find some things in your cupboards that you can explore.

Explore the texture of things and what happens when you mix things

Get Online

Play a fun game. I like star climber – You have to collect all the stars and build a ladder!

<https://www.funbrain.com/games/star-climber>

Get Cooking

Can you make smoothies? You don't need a blender or food processor, you can just mush up the fruit yourself – if you use soft fruits 😊

Character muscles

Self-Efficacy

Can you talk about what you are good at doing? And what you need to keep trying with?

E.g. I am good at doing my zip up but I still need to keep on trying to do my buttons.

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work via your child's Tapestry Learning Journal for us all to see.
