

Nursery Activities Pick and Mix

Get Reading

Read some books together with adults and other children. Before you begin can you talk about what might happen in this story? Then whilst reading it can you talk about what is happening? And what might happen next?

Get Speaking

Practise saying some tongue twisters together with your family.

Find lots here:

<http://learnenglishkids.britishcouncil.org/tongue-twisters>

Get Creative

Can you create a booklet about what you and your family have been up to during lockdown?

You could draw pictures or stick things in? Then your adults could write in it too.

It will be a great keepsake to see when you are older!

Get Mathematical

How many numbers do you recognise? Can you see if you recognise 1-10 then try 1-20 for an extra challenge 😊

Get Exploring

Explore textures – create a checklist – soft, smooth, hard, rough, bumpy, shiny etc... Then can you find around your house for those items?

How many can you find?

Get Online

<http://boowakwala.uptoten.com/kids/boowakwala-homeworld.html>

Explore songs, games and information about the world.

Get Cooking

Look online for a new meal to help your adults cook – then help prepare the meal and try new foods 😊

Character muscles

Teamwork – work together to clean up your toys or help your grown-ups.

Add on Tapestry any activities or tasks you have done to help out your family.

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work via your child's Tapestry Learning Journal for us all to see.
