

# Year 3 Homework Pick and Mix

## Get Reading

Read something that isn't a book. Perhaps read a magazine, set of instructions or a recipe? Be creative. Reading doesn't always have to be a book!

## Get Speaking

Find some jokes and tell them to them to your family members in person or over the phone to cheer them up or make them smile/laugh. You may even want to challenge yourself to come up with your own joke to tell other people.

## Get Creative

Be creative and make something using Origami. All you need is a piece of paper. You can find lots of ideas online or check out Knighton twitter to see what origami Miss Oldham made and even learn how to do one yourself.

## Get Mathematical

Take ten cards numbered 0 to 9. Selecting 4 different cards, what is the highest numbers you can make? What is the smallest number you can make?

Now pick three cards with a total of 12. How many different ways can you do it?

## Get Exploring

Visit a virtual zoo. Check out your favourite animal and see what new, interesting facts you can find out about them. You may want to have a go at making an animal mask or even creating an animal fact file.

## Get Online

Use BBC's dance mat typing to practise your typing and get it up to speed. It is a very useful skill to have.

## Get Cooking

After all the chocolate and eggs from Easter, it's time to make something healthy. See what treat you can make using healthy food. You may be surprised.

## Character Muscles

How many of our character muscles have you been using? Find a character muscle that you haven't been using and try to use it throughout the week.
