

Reception Homework Pick and Mix 10

People we love

Get Reading and Writing

Have a go at playing Tricky Word Bingo. You could make your own bingo board and have a grown up call out your tricky words or make tricky word cards and scatter them around. You could then jump on to the correct tricky word.

Tricky Words Bingo

| | | | | |
|-------|-----|---|------|------|
| here | do | she | go | when |
| they | are | we | who | like |
| there | to |  | no | why |
| where | you | me | my | live |
| does | all | be | what | have |

Get Speaking

Let's look at completing some rhyming words this week. Rhyming words are when words sound similar.

For example, cat rhymes with hat.

Dog rhymes with log.

Could you play a rhyming game with your adults? One of your team could say a word and then together, see how many words you can think of to rhyme with it.

Cat – hat – mat – sat – bat – pat.

Get Creative

This week, can you create your own card for Father's Day? This

could be for your Dad, Grandad or someone special in your household. Think about what they like or enjoy and

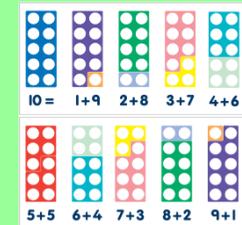

add some pictures that would make them smile. Homemade cards are the best!

Get Mathematical

This week, let's look at our number bonds to 10. Can you represent your number bonds using any objects in your household? You could have 4 red counters and then 6 blue counters.

Practice writing these number bonds as a sum.

Get Exploring

We are looking at people we love at home this week. Talk to your grown up at home about something they used to enjoy playing with. They may even have some of their old toys at home. Explore these with your grown up.

Get Online

Can you paint a picture of somebody that you love?

You could draw them doing something you enjoy doing with them such as going to the park or playing a game.

Get Cooking

Can you make something special for your Dad or special grown up on Father's Day? Maybe you could make them a yummy sandwich or some fairy cakes? You could prepare breakfast in bed and make some yummy cereal or toast. Remember, to ask a grown up to help.

Character muscles

Managing impulsivity

When we are spending so much time at home, do we always think before we do or say things? It can be tricky to make the right choices all of the time.

This week, try extra hard to make the right choices and be kind to others.

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class! Add anything you complete to our Tapestry!
