

Reception Homework Pick and Mix 11

Seaside

Get Reading and Writing

Look at this picture of the seaside. Can you write some sentences about what you can see? You could turn this into a story as if you were at the seaside. Use all your senses to describe the picture.

Get Speaking

Can you practise saying a tongue twister with your family? You could even try and make one up yourself!

You can find some examples here;

<http://learnenglishkids.britishcouncil.org/tongue-twisters>

Get Creative

Go for a walk in the local area and find some smooth rocks. Can you decorate them with seaside designs? This could be a picture of a boat or even an ice cream! You could add these rocks to your sandcastle!

Get Mathematical

Can you create your own clock? This can be done in a variety of different ways. You may want to draw a clock or cut and stick one out of paper. Once you have created your clock, can you move your hands to represent different o'clock times?

Get Exploring

Can you make the best sandcastle? You could use different materials if you do not have sand at home. Why not try making a sandcastle out of playdough or even out of mud! How high can you make it?

Get Online

Keep practise reading new stories online! Use the school login for the Oxford Owl website and pick a new, exciting story to read aloud to a grown up. Try to retell the story after reading.

Get Cooking

I love eating fish and chips at the seaside! It is always so yummy. Can you work with a grown up to create your own fish and chips? It may be a typical fish and chips meal or it could be fish fingers and chips! You could even make it out of playdough if you can't make it!

Character muscles

You have been doing some amazing work from home for more than 11 weeks now! In that time, you have all been working on your character muscle. Make a poster about one character muscle that you have been working on with a picture of when you used it.

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class! Add anything you complete to our Tapestry!
