## Get Speaking

Read a book or poem to someone in your house. Spend some time after talking about what you have read for example the characters, favourite part, what could happen next.

## Get Creative

Can you create a piece of art only using dots? Be creative with it. You could use paint, felt tips or colouring pencils.

## Get Mathematical

Get measuring!  
Find a ruler and pick 6 items from your home or garden. Think carefully about how you were taught to use your ruler to measure accurately and see how if you can measure the length of the objects in cm. Record on the table your measurements and then put the objects in order of length. Discuss how you have ordered them with an adult.

Continue to log on to Numbots and practise your addition and subtraction

## Get Exploring

Choose your own Science lesson from BBC Bitesize!  
<https://www.bbc.co.uk/bitesize/articles/z4dybdm>

When you go out for a daily walk, turn it into a treasure hunt! You might decide to count how many different types of plants/trees you see along the way.

## Get Online

Go on the internet and search for:  
<http://www.ictgames.com/>

Go onto the maths games section and look at Sum Scales.  
Remember that the equals sign means balances!

## Get Cooking

Help to make your own picnic that you can have outside in the garden! Make sure it isn't raining on the day you decide to have it!!

## Get using those Character Muscles

### KINDESS

Write a letter explaining to someone why we should be Kind to each other.

## Year 1 Homework Pick and Mix

**Dear Parent/Carer,**

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
