

Year 2 Homework Pick and Mix

Get Reading

World Ocean Day was on Monday 8th June. It happens everyday on the same date. It started in 1992. Read and complete the attached reading comprehension then make a poster about why we must protect our oceans.

Get Speaking

Play a game with your family and see if you can talk for a minute about one of the following:

- Food
- Toys
- Animals
- Stories
- Colours
- Playground
- Friendships

Get Creative

Paper plate challenge:

What can you make with a paper plate? Share your creations on twitter.

Get Mathematical

Get Estimating!

Get estimating with the attached Power Point then use the worksheets and guess the amount of sweets in the jar. Count the sweets and write the answer.

Have a go at estimating different items around your house e.g. pasta pieces in a bag or jar, grab some lego pieces and estimate how many you have etc.

Continue to log on to TTRS and practise your 2, 5 and 10 times tables.

<https://play.trockstars.com/>

Get Exploring

Collect as many pebbles as you can from your garden or the next time you go for a walk. Then create your own pebble art!

Get Online

Go on the internet and search for:

<http://www.ictgames.com/>

As part of your daily timetable try to play one Maths game and one Literacy game each day.

Maths Games

Literacy Games

Get Cooking

Have fun and make Balloon Cake Pops with an adult. Remember to share them with your family!

Balloon Cake Pop Recipe

Character Muscles

Our Character Muscle next week is 'creativity'

Try something new and be creative! Set yourself a challenge and learn a new creative skill.

Dear Parent/Carer,

Here are your child's home learning activities for the coming week. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to hear what home learning activities you have done.
