

Year 2 Homework Pick and Mix

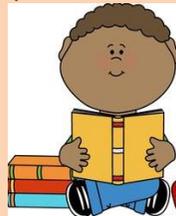

Get Reading

As it would have been our Sports Day at Knighton Mead, have a go at the reading comprehension that we have saved in the folder for you. It is all about a Sports Day at another school.

Get Speaking

Pick your favourite short story or poem and record yourself telling the story/reading the poem. Think about what we need to remember when performing. We would love to see your videos!!!

Get Creative

Make your own medals or trophies for your standing long jump competition.

Get Mathematical

Get Measuring!

Standing long jump. Get everyone in your house to take part and then measure how far every one has managed to jumped. Record everyone's jumps and then put them in order. Compare the distances, see if you can work out the difference in length between the shortest and longest jump.

Continue to log on to TTRS and practise your 2, 5 and 10 times tables.

Get Exploring

Next time you go out on a walk or are in your garden. Collect as many twigs and branches as you can and see how many 2D shapes you can make.

Get Online

Go on the internet and search for:

<http://www.ictgames.com/>

As part of your daily timetable try to play one Maths game and one Literacy game each day.

Maths Games

Literacy Games

Get Cooking

Have fun making these banana and chocolate chip muffins. Ask an adult to help you and then enjoy eating them. I have attached the recipe for you.

Character Muscles

Think about the character muscles you need to use when taking part in the long jump activity. Make a list of them and give a prize to the person demonstrating the most character muscles.

Dear Parent/Carer,

Here are your child's home learning activities for the coming week. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to hear what home learning activities you have done.
