Get Speaking

It's joke time!
Think of many jokes as you can – or look for some in a joke book. Tell them to your family - see how much you can make them laugh!!! Ask members of your family which is their favourite, to see which is the most popular joke!

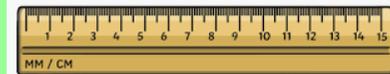

Get Creative

Create your own version of your favourite board game. See if you can write a set of instructions to go with it and then enjoy playing it with members of your family

Get Mathematical

Get measuring!
Find a ruler and pick 6 items from your home or garden. Think carefully about how you were taught to use your ruler to measure accurately and see how if you can measure the length of the objects in cm. Record on the table your measurements and then put the objects in order of length. Discuss how you have ordered them with an adult.

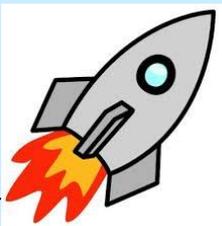

Continue to log on to TTRS and practise your 2, 5 and 10 times tables.

Get Exploring

Following on from the space rocket launch during half term. Research as many facts as you can about space! See if you can produce a poster about your new knowledge!

Get Online

Go on the internet and search for:

<http://www.ictgames.com/>

Go onto the maths games section and look at Sum Scales.

Remember that the equals sign means balances!

Get Cooking

Help to make your own picnic that you can have outside in the garden! Make sure it isn't raining on the day you decide to have it!!

Character Muscles

Keep a note of every time a family member uses one of our character muscles.
Design and make a certificate for the family member who demonstrates the best use of a character muscle

Dear Parent/Carer,

Here are your child's home learning activities for the coming week. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to hear what home learning activities you have done.
