

# Year 3 Homework Pick and Mix

## Get Reading

Explore the books online at myon.co.uk. Use your AR login to access and if you're lucky, the book may have you quiz you can have a go at

## Get Speaking

Teach somebody to something that you have learnt to do. Make sure your instructions are clear and concise so that they are easy to follow.

## Get Creative

Using what is in your garden or items you find on your daily walk, create a picture. You can use leaves, stones, twigs, grass e.t.c

## Get Mathematical

Get practicing your times tables and join in with the battles on TTRS.

## Get Exploring

Collect as many pebbles as you can from your garden or the next time you go for a walk. Then create your own pebble art!

## Get Online

Explore the school website and twitter to see what different activities and challenges teachers have been putting on for you to have a go at.

## Get Cooking

Many people are eating outside now the weather is getting warmer. Plan a menu for an outdoor picnic and ask if your family can have a picnic and enjoy the fresh air.

## Character Muscles

During these difficult times, we are all phasing many different changes and challenges. Before bedtime, try to write three positive things from your day.
