KNIGHTON MEAD PRIMARY ACADEMY

Year 5 Homework Pick and Mix

Get Reading

Read some fiction books.
Can you use the Myon app to access these books?
Use your AR loggings to see if you can quiz on these books.

Get Speaking

Can you learn how to say and write instructions for a game in 2 languages? Can you teach this to someone else?

Get Creative

Watch this video.
https://www.youtube.com/watch?v=B9QdMaOlVrM
Can you make your own lava lamp?
What do you think is happening?

Get Mathematical

Colour	Number of that colour	Write a fraction

Create a table like this. Using smarties, skittles, starburst can you investigate the different colours in the sweet packet and write them as a fraction.
Mr Stretch: Can you create your own investigation using fractions?

Get Exploring

Can you make your own short film?
Watch one of the Disney short films.
Use this as inspiration to make your own movie.

- Use a tablet or phone to make your video.
- Maybe you could make some puppets
- You could make a film of your daily walk

Get Online

Explore different advertisements.
Can you create your own about your vegan dishes?

You can create a poster on Word or you can create a small video ad for your vegan dishes.
Think about the persuasive language needed.
https://www.youtube.com/watch?v=7lAPbDhylyo

Get Cooking

Create two vegan dishes that are healthy.

Research different vegan dishes and try and make them your own.

You can make one sweet and one savoury.

Character Muscle

Can you draw an abstract art piece that promotes and inspires some or all of the character muscles?
Think about colour blending.
What does each colour represent?
Think about what colours represent what emotions?

Dear Parent/Carer,
Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
