Year 6 Homework Pick and Mix

KNIGHTON MEAD PRIMARY ACADEMY

Get Reading Complete a book and quiz on AR within the next week. 	**Get Speaking** Restrictions are changing on the 4th July. Is there anything you are excited to do? Hopeful to get a haircut? Or go out somewhere you've missed? Write a short speech about the things you are excited to do when they change. 	**Get Creative** Can you create a poster presenting your new idea for a video game? What type of game is it? What would you need to do? What characters would you have? What is the game called? How would you win? 	**Get Mathematical** Measure the circumference and diameter of circles around your house. What do you notice about the measurements? What is the relationship between diameter and circumference? Get Exploring Using what is in your house, what different ways can you make music? Tissue box guitar? Salt and pepper shakers? Pots and pans drumming kit? Create a short video of the music you make. 	**Get Online** Football is back! Leicester have played two matches so far and haven't looked too good. Can you research the club and make an interesting fact file about their history? 	**Get Cooking** Mr Owens loves a snack. Can you design and create the perfect snack for watching a film. Share what you make on twitter or through the year group e-mail. 	**Character Muscles** One of our character muscle is creativity. Can you create a magic potion to help build hope during this difficult time? You can add ANY ingredients, real or imaginary, in your recipe for this magic potion. Write instructions for your magic potion!

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
