Character Muscles

At KMPA we love our character muscles. This week's character muscle is reasoning. Can you make an argument for why children should/shouldn't wear school uniform?

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
