

## Year 6 Homework Pick and Mix

**KNIGHTON MEAD**  
PRIMARY ACADEMY

### Get Reading

Complete a book and quiz on AR within the next week.

### Get Speaking

Write a news report about some family/home news. Film yourself creating the report

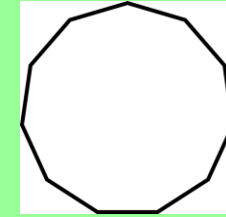

### Get Creative

Can you create a piece of art inspired by your thoughts and feelings. Draw all the things you can think of and put them together in a collage.

### Get Mathematical

Can you research the names of shapes with more than 10 sides? Can you research up to 20 different shapes? What do you notice about their names?

### Get Exploring

Explore the materials in your house and create a tower as tall as possible without using glue or cello tape. It needs to be able to stand on its own for a minute. Don't forget to take a picture of it!

### Get Online

As part of World Ocean's Day, research the effects of plastic in our oceans. Create a set of instructions to help us conquer these effects.

### Get Cooking

Can you create something to eat involving eggs. It can be sweet or savoury an ingredient or the main component.

### Character Muscles

At KMPA we love our character muscles. This week's focus is peace. Can you complete some mindfulness activities. Try some yoga, breathing exercises or colouring in. Take time to relax and to live in the moment.

### **Dear Parent/Carer,**

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
