

Reception Homework Pick and Mix 12

Transition

Get Reading and Writing

Can you write a letter? You could write a letter to know your new teacher to tell them all about your favourite things to do at school or anything you may need extra support with. OR write me a letter to tell me what you have been up to at home and what you miss about Reception next year!

Get Speaking

What has been your favourite part of Reception? What has made you happy? Create a video for Tapestry telling me about your favourite parts of the year. Did you love performing in the Nativity or enjoy learning about the police officers or taking part in the Teddy Bear's hospital? I enjoyed meeting the fire fighters and seeing the fire engine!

Get Creative

Can you create an all about me poster? You could paint a portrait of yourself and add some information about your favourite food or color? Or draw a picture of your family! What would you like your teacher to know?

Get Mathematical

With the weather getting better (finally), why not try using your capacity learning to create your very own mocktail? Add different cups of each fruit juices to create a yummy juice drink. Why not write the recipe up so that I can try one too!

My favourite is;

2 cups orange juice
2 cups cranberry juice
1 cup lemonade

Get Exploring

As it is nearly the holidays, go on a special trip to somewhere new. Use a map or Google maps to find a new place to visit and take a nice walk there. You could be in charge of the directions and exploring new routes! Take a yummy picnic with you and enjoy the sunshine!

Get Online

Send me an email! I am going to miss you all so much but we have created a new email address for our current class so I can see how you are getting on. Why don't you send me an email of any work you have completed or even just a nice message to tell me what you have been up to!
The email is reception@knighton-tmet.uk.

Get Cooking

Can you create a fruit kebab? It is a healthy rainbow snack! Send me some yummy photos! You could even turn it into a rocket kebab or a boat!

Character muscles

Self-Efficacy

Think about all the work you have completed in Reception. What have been your strengths? What have you improved at? I am so proud of all of your progress this year so I know there will be lots of things to choose from!

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class! Add anything you complete to our Tapestry!
