

Year 6 Homework Pick and Mix

Get Reading

Complete a book and quiz on AR within the next week.

Get Speaking

With you moving to year 7 why not have a conversation with your family about what you are excited about in your new school and let them know if you have any worries.

Get Creative

Create a board game that you and your family could play. It could be as simple as a card game, your own version of monopoly based on Leicester? It could be associated with one of your interests. Be as creative as you can!

Get Mathematical

Look at these numbers and discuss which number is the odd one out. Is there more than one answer? How many different answers can you find?

8888

8686

8643

6868

Get Exploring

<https://www.chesterzoo.org/virtual-zoo/>

Visit Chester Zoo virtually! Find out some great information about animals at their zoo. Write down 5 facts that you learnt which surprised you.

Get Online

<https://www.nhm.ac.uk/take-part/try-this-at-home.html>

Visit the natural history museum website and try some of their activities!

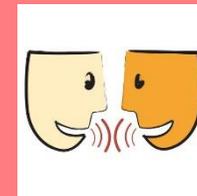

Get Cooking

As the weather it is getting hotter and it is now officially summer, it is a great time to have a picnic! Create your own picnic lunch at home. Why not eat your picnic in your garden or a park?

Character Muscles

This week I would like you to focus on imitation. Can you imitate one of your heroes? How will you imitate them? What qualities do you want to imitate and why?

Dear Parent/Carer,

Here are your child's home learning activities. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We are always interested to see and hear what home learning activities you have done, so make sure you share your work with the rest of the class!
