

Year 2 Geography – Pirates and Islands

Pirate Blackbeard

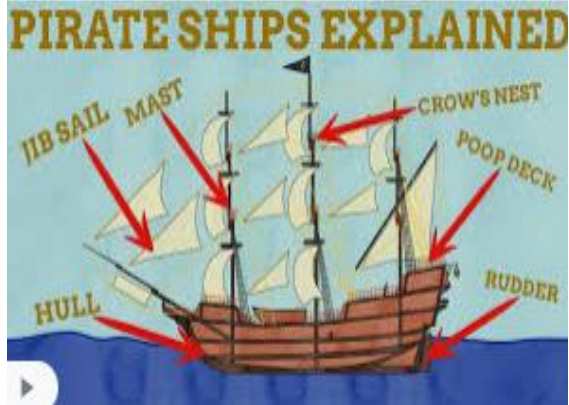

National Curriculum Expectations:

Geography

- name and locate the world's 7 continents and 5 oceans
- use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key
- Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.
- use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map

**Pirate Den:
Tortuga**

**Treasure
Map**

Vocabulary:

Continent- a continent is one of several very large landmasses.

Ocean- a very large expanse of sea, in particular each of the main areas into which the sea is divided geographically.

Treasure map –a treasure map is a map that marks the location of buried treasure.

Symbols on a map -symbols are small pictures that stand for different features on a map. A symbol is often drawn to look like what it represents.

Pirate -a person who attacks and robs ships at sea.
Blackbeard - Edward Teach (alternatively spelled Edward Thatch, c. 1680 – 22 November 1718), better known as Blackbeard, was an English pirate.

Pirate ship -a sailing vessel used by a person who commits robbery on the seas.

Tortuga -Tortuga is an island located in the Caribbean. It is shaped like a turtle.
