

Year 4 Learning Log
27th November 2020

Home Learning Task

Over the past few weeks, we have started out topic 'Our Place in the World'. As part of this topic, I would like you to research different landmarks in Leicester. Next Wednesday, we will be making some of these landmarks out of junk. Donations of small cardboard boxes (empty food boxes) will be greatly appreciated to help you make this.

General Homework

1. Read at least five times this week and record your reading in your reading journal.
2. Learn your spellings - you could practise on Spelling Frame.
3. Practise your times tables - you could do this on Times Tables Rockstars.

To be returned to school on: Wednesday 2nd December 2020

I worked on my own		I worked with my brother/sister	
I worked with a grown-up		I completed the work at school
