

Year 5 Learning Log
27th November 2020

Home Learning Task

Previously, in your homework you have researched Sir David Attenborough. Write a letter to Sir David Attenborough about global warming.

- Think about plastic and recycling
- Think about the different affects of global warming on living things
- Think about how the planet has changed over the years.
- Add what you are going to do to save your planet.

General Homework

1. Read at least five times this week and record your reading in your reading journal.
2. Learn your spellings - you could practise on Spelling Frame.
3. Practise your times tables - you could do this on Times Tables Rockstars.

To be returned to school on: Wednesday 02nd December 2020

I worked on my own		I worked with my brother/sister	
I worked with a grown-up		I completed the work at school
