## Mead Mission: Local Lookout!

In the local area near your school there are a number of small items to find. These items are all in different places and vary in shape. All are placed from floor to just above eye level.

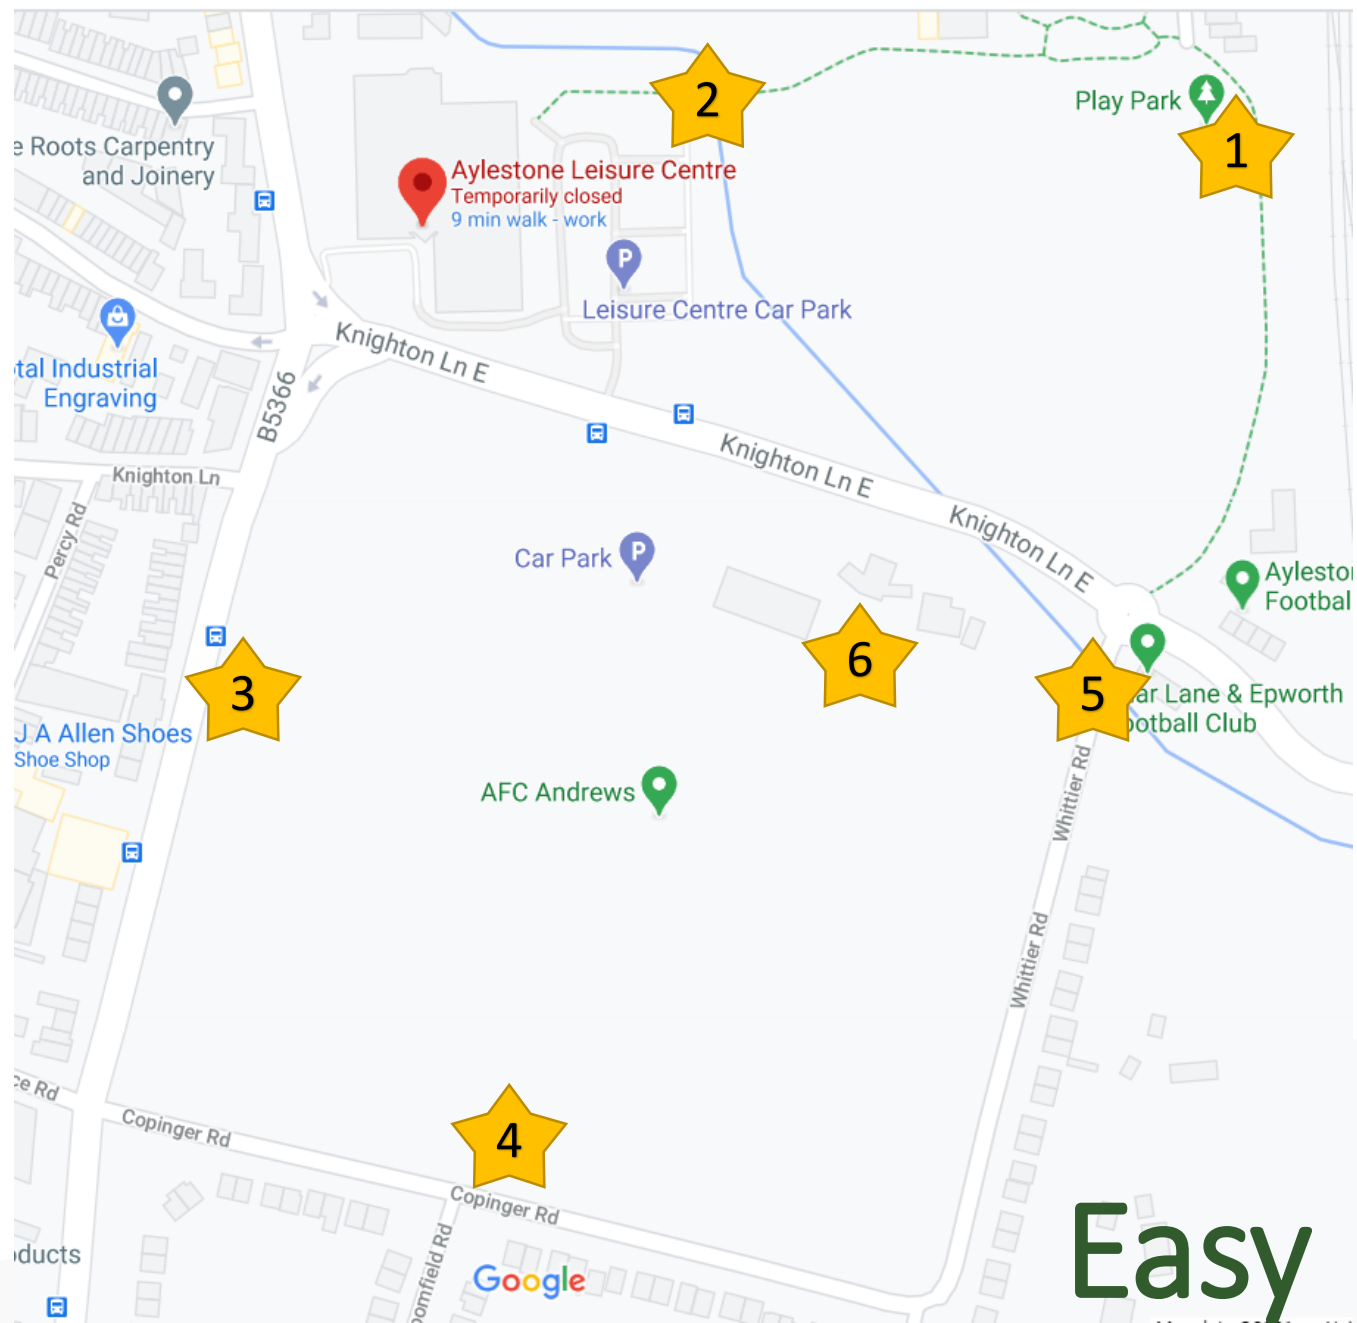

First, choose your challenge difficulty; easy, medium or hard and use the map and clues on the sheet to find the items.

Secondly, when you find the item, write your name and the date you found it on the small piece of paper hidden inside. Have a read to see how many others from your school have found it too! Please make sure that you return the item to the exact location that you found it so that others can find it too.

Finally, we would love to see pictures of you on your mission. Send us your pictures on Twitter, tagging The Mead Educational Trust's Primary Intervention team [@TMET\\_PrimaryInt](#). Be careful not to give away any clues in your pictures to make sure it stays a secret.

Goodluck on your quest!
